

Clinical & Counseling Psychologists

**NEXT
STEPS**
IDAHO

What Is It?

Assess, diagnose, and treat mental and emotional disorders of individuals through observation, interview, and psychological tests. Help individuals with distress or maladjustment understand their problems through their knowledge of case history, interviews with patients, and theory. Provide individual or group counseling services to assist individuals in achieving more effective personal, social, educational, and vocational development and adjustment. May design behavior modification programs and consult with medical personnel regarding the best treatment for patients.

What Do They Typically Do?

- Establishing and Maintaining Interpersonal Relationships
- Making Decisions and Solving Problems
- Assisting and Caring for Others

Annual Income:

- Entry Level: \$46,220
- Typical: \$65,170
- Experienced: \$84,720
