

Career/Technical Education Teachers, Postsecondary

**NEXT
STEPS**
IDAHO

What Is It?

Teach vocational courses intended to provide occupational training below the baccalaureate level in subjects such as construction, mechanics/repair, manufacturing, transportation, or cosmetology, primarily to students who have graduated from or left high school. Teaching takes place in public or private schools whose primary business is academic or vocational education.

What Do They Typically Do?

- Training and Teaching Others
- Getting Information
- Updating and Using Relevant Knowledge

Annual Income:

- Entry Level: \$30,930
- Typical: \$43,350
- Experienced: \$64,380

Major Employers:

Educational Services

What do I do next?

Learn about the job culture:

- Schedule at least one informational interview
- Conduct a job shadow, if possible
- Research available volunteer or intern opportunities

Prepare for training:

- Visit and call trade schools or colleges that offer a related program
- Research regional job openings at: idahoworks.gov

Explore all pathways to certification:
