

Surgical Assistants

**NEXT
STEPS**
I D A H O

What Is It?

Assist in operations, under the supervision of surgeons. May, in accordance with state laws, help surgeons to make incisions and close surgical sites, manipulate or remove tissues, implant surgical devices or drains, suction the surgical site, place catheters, clamp or cauterize vessels or tissue, and apply dressings to surgical site.

What Do They Typically Do?

- Assisting and Caring for Others
- Identifying Objects, Actions, and Events
- Making Decisions and Solving Problems

Annual Income:

- Entry Level: \$38,470
- Typical: \$47,990
- Experienced: \$59,320

Major Employers:

Health Care and Social Assistance

What do I do next?

Learn about the job culture:

- Schedule at least one informational interview
- Conduct a job shadow, if possible
- Research available volunteer or intern opportunities

Prepare for training:

- Visit and call trade schools or colleges that offer a related program
- Research regional job openings at: idahoworks.gov

Explore all pathways to certification:
