

# Hazardous Materials Removal Workers

**NEXT  
STEPS**  
I D A H O

## What Is It?

Identify, remove, pack, transport, or dispose of hazardous materials, including asbestos, lead-based paint, waste oil, fuel, transmission fluid, radioactive materials, or contaminated soil. Specialized training and certification in hazardous materials handling or a confined entry permit are generally required. May operate earth-moving equipment or trucks.

## What Do They Typically Do?

- Communicating with Supervisors, Peers, or Subordinates
- Getting Information
- Inspecting Equipment, Structures, or Materials

## Annual Income:

- Entry Level: \$38,080
- Typical: \$43,870
- Experienced: \$44,720

## Major Employers:

Administrative and Support Services

## What do I do next?

### Learn about the job culture:

- Schedule at least one informational interview
- Conduct a job shadow, if possible
- Research available volunteer or intern opportunities

### Prepare for training:

- Visit and call trade schools or colleges that offer a related program
- Research regional job openings at: [idahoworks.gov](http://idahoworks.gov)

### Explore all pathways to certification:
