

Helpers--Installation, Maintenance, and Repair Workers

**NEXT
STEPS**
I D A H O

What Is It?

Help installation, maintenance, and repair workers in maintenance, parts replacement, and repair of vehicles, industrial machinery, and electrical and electronic equipment. Perform duties such as furnishing tools, materials, and supplies to other workers; cleaning work area, machines, and tools; and holding materials or tools for other workers.

What Do They Typically Do?

- Inspecting Equipment, Structures, or Materials
- Repairing and Maintaining Mechanical Equipment
- Making Decisions and Solving Problems

Annual Income:

- Entry Level: \$23,380
- Typical: \$35,890
- Experienced: \$43,710

Major Employers:

Construction, Other Services (Except Public Administration)

What do I do next?

Learn about the job culture:

- Schedule at least one informational interview
- Conduct a job shadow, if possible
- Research available volunteer or intern opportunities

Prepare for training:

- Visit and call trade schools or colleges that offer a related program
- Research regional job openings at: idahoworks.gov

Explore all pathways to certification:
