

## #WHYAPPLY SOCIAL MEDIA CAMPAIGN

This fall, students across the country will be submitting college applications and celebrating their plans for the future. Hundreds of thousands of them will do so when schools in all 50 states and the District of Columbia host American College Application Campaign (ACAC) events. To celebrate college application season and our students, ACAC encourages participating in the #WhyApply social media campaign.

### What is #WhyApply Day?

#WhyApply Day is sponsored by the American College Application Campaign, an initiative of ACT's Center for Equity in Learning, which partners with thousands of high schools across the country each fall to host events supporting students through the college application process, especially first-generation college students and those from low-income families who may not otherwise apply to college.

### How to show your support

Wear your college gear (t-shirt, hats, pins, etc) and share why you believe students should apply to college and/or why you applied to college, using the hashtag #WhyApply. Then share your response on your favorite social media platform. Encourage your friends, family, and colleagues to do the same. Not sure what to post? You might:

- Type a short response in your status
- Make a video of yourself, your kids, or your friends answering the question
- Draw a picture depicting your reasons
- Write your answer on a piece of paper (feel free to use the #WhyApply template provided) and post a photo of you holding it
- Share an image or photo with your reason

### Follow ACAC on Social Media

We plan to highlight every state's initiative this fall. **Like our page** and/or **follow us** to see how colleagues across the country are accomplishing the ACAC goal. Start now by posting photos, media, and other items from past and future events. We look forward to featuring your great work!
