

# What Skills Will I Bring to My Career?

**Quick Write:** Use the full five minutes to write as much as you can to answer the two prompts below.

1. If you could have any job in the world, what would it be? Describe the job IN-DEPTH (what is a day in the life?)
  
2. How did you decide on this job? Why is it a job you want to have? Do you think you would be good at this job?

**Job Decisions:** Write down 3+ ways to decide on/choose a job, shared by other students.

**Steps for Self-Evaluation:** Sort the steps below into the correct order in which they should be completed.

- \_\_\_\_\_ Answer questions and complete a Self-Evaluation survey
  
- \_\_\_\_\_ Determine what high school courses or higher education are necessary for the job. How will you acquire the skills and requirements needed for this job?
  
- \_\_\_\_\_ Find jobs in the same field, related to the first job. What possible careers have similar descriptions?
  
- \_\_\_\_\_ Reflect on the skills and requirements listed for these jobs. Do you have those?
  
- \_\_\_\_\_ Review your results and the jobs listed. Is there a job you'd be interested in having?

**Reflect:** Which of these steps do you think will be the most difficult? Which one is the most important in your opinion?

**Apply the Steps (Step 1):** Review your completed self-evaluation: [Interest Profiler](#)

**For your evaluation results (Steps 2 & 3):** What are some jobs listed that you're interested in? Were there any listed that you were NOT interested in? Provide the why.

**For your evaluation results (Step 4):** What qualities are required for these jobs? Do you have those qualities?

**For your evaluation results (Step 5) :** What courses or higher education opportunities can help you prepare for those jobs?

**Final Thoughts:** How important is it to you to LOVE the career you choose? How could this type of job search and self-evaluation support choosing a career that you love?
