

Summer Agriculture

Youth Career Camp

LEARN HANDS-ON:

- Field trips!
- Meet a beef producer
- Create your own livestock brand
- Learn about cattle genetics and conduct a meat science experiment
- T-shirt and lunch included!
- And so much more...

WHAT STUDENTS WILL EXPERIENCE

Agriculture is the most important industry to the Magic Valley and to the state of Idaho. Students' 7th-12th grade can come explore what agriculture is all about as they learn about the diversity and breadth of the industry. This year we are learning... ALL ABOUT THAT BEEF.
