Program Name	Application/Dead-line	Degree/Certifi-cates Offered	Program Notes	Weblink
Accounting Bookkeeping	No	AAS	Fall or spring start	https://www.csi.edu/programs/account-ing-bookkeeping/default.aspx
Admin Assistant	No	ITC, BTC	Fall or spring start (all but one class available online	https://www.csi.edu/programs/administra-tive-assistant/default.aspx
Automation Engineering	No	AAS, ITC, BTC	Fall or spring start	https://www.csi.edu/programs/automa-tion-engineering-technology/default.aspx
Automotive Tech (ASEP)	FCFS (Full by May	AAS, ITC, BTC	Fall start, mechanical reasoning test required, GM internship required, $3-8K tool costs	https://www.csi.edu/programs/automo-tive-service-education/default.aspx
Automotive Tech (ASTP)	Yes, FCFS	AAS, ITC, BTC	Fall start, newer program, Dealership internship required	https://www.csi.edu/programs/automo-tive-service-education/default.aspx
Baking and Pastry	No	AAS, ITC, BTC		https://www.csi.edu/programs/baking-pas-try-arts/default.aspx
Business Management Entrepreneur	No	AAS, ITC, BTC	Fall or spring start. Doesn't meet re-quirements for BAS, select business mangement for transfer	https://www.csi.edu/programs/busi-ness-managment-entrepreneur/default.aspx
Central Sterile Processing	FCFS	BTC	Offered Fall and Spring - online	https://www.csi.edu/programs/surgical-cen-tral-sterile-processing-technology/default.aspx
Certified Medical Assistant	Yes, August 1	ITC	Program application and completion of pre-requisite courses	https://www.csi.edu/programs/medical-as-sistant/default.aspx
Certified Nursing Assistant	Yes	BTC	Registration requirements, 10 week course, offered Fall, spring and summer	https://www.csi.edu/programs/certi-fied-nursing-assistant/default.aspx
Collision Repair	Yes, FCFS	AAS, ITC, BTC	Mechanical reasoning test, Tools about $2K	https://www.csi.edu/programs/collision-re-pair-technology/default.aspx
Computer Support Tech	No	ITC	No program courses in summer	https://www.csi.edu/programs/comput-er-support-technician/default.aspx
Culinary Arts	No	AAS, ITC, BTC	Fall start, uniform cost $450	https://www.csi.edu/programs/culi-nary-arts/default.aspx
Cybersecurity and Programming	No	AAS, BTC	BTC available for dual credit	https://www.csi.edu/programs/cybersecuri-ty-programming/default.aspx
Dental Assistant	Yes, June 1	ITC	Program application and completion of pre-requisite courses	https://www.csi.edu/programs/dental-assis-tant/default.aspx
Dental Hygienist	Yes, February 1	AAS	Program application, and compet-ions of pre-requisite courses	https://www.csi.edu/programs/dental-hy-giene/default.aspx
Diesel Tech	Yes, FCFS	AAS, ITC	Fall start, tool costs $4-7K, drug test, mechanical reasoning test	https://www.csi.edu/programs/diesel-tech-nology/default.aspx
Digital Media	Meeting	AAS, ITC, BTC	Cohort, no summer courses available	https://www.csi.edu/programs/digital-me-dia/default.aspx

Program	Application Deadline	Degrees	Notes	Link
Drafting Tech	Meet with instructor	AAS, ITC	Fall start	https://www.csi.edu/programs/drafting-technology/default.aspx
Emergency Medical Technician	FCFS	BTC	Offered Fall and Spring	https://www.csi.edu/programs/emergency-medical-services/default.aspx
Fire Science Technologist	Yes, May 31	ITC, AAS	Current EMT cert and SAFE course completion required before applying	https://www.csi.edu/programs/fire-science/default.aspx
Heavy Equipment Ag Diesel Tech	Yes, FCFS	AAS, ITC	Fall start, tool costs $4-7K	https://www.csi.edu/programs/heavy-equipment-ag-technology/default.aspx
Hospitality Management	No	AAS, ITC	Fall/spring start. Concentration in lodging or restaurant	https://www.csi.edu/programs/hospitality-management/default.aspx
HVAC	Full by May	AAS, ITC, BTC	Fall start, Academic apprenticship	https://workforce.csi.edu/apprenticeships/hvac/default.aspx
Industrial Systems Maintenance Technology	NA	ITC		https://www.csi.edu/programs/industrial-systems-maintenance-technology/default.aspx
Licensed Practical Nurse	Sept 15 (spring start) April 15 (fall start)	ITC	Current CNA certificaiton and completion of pre-requisite courses required	https://www.csi.edu/programs/practical-nursing/default.aspx
Machining and Manufacturing tech	No	AAS, ITC, BTC	Fall or spring start	https://www.csi.edu/programs/machining-manufacturing-technology/default.aspx
Networking Systems Technician	meeting	AAS	Fall or spring start, no classes in summer	https://www.csi.edu/programs/network-systems-technician/default.aspx
Paramedic	Yes, May 31	ITC, AAS	Current EMT cert and SAFE course completion required before applying	https://www.csi.edu/programs/emergency-medical-services/default.aspx
Pharmacy Technician	FCFS	BTC	Offered Fall and Spring	https://www.csi.edu/programs/health-science/default.aspx
Physical Therapy Assistant	Yes, March - May *every other year	AAS	Offer program every other year. Current cohort to start Fall of 2023 and next cohort will start Fall of 2025	https://www.csi.edu/programs/physical-therapist-assistant/default.aspx
Radiologic Technologist	Yes, June 1	AAS	Program application, completion of pre-requisite courses, and current EMT or CNA certification	https://www.csi.edu/programs/radiologic-technology/default.aspx
Registered Nurse (not CTE)	May 6 (fall start) Nov 15 (spring start)	ASN	Current CNA certification, ATI TEAS testing, 3.0 gpa, and completion of pre-requisite courses required before applying	https://www.csi.edu/programs/registered-nursing/default.aspx
Renewable Energy Systems	NA, meeting	AAS	Fall start	https://www.csi.edu/programs/renewable-energy-systems-technology/default.aspx
Surgical Technologist	Yes, May 31	AAS	Program application and completion of pre-requisite courses	https://www.csi.edu/programs/surgical-technology/default.aspx
Welding	May 1, June 1, July 1	AAS, ITC, BTC	Fall start, welding pretest, tool cost $1.5K	https://www.csi.edu/programs/welding-technology/default.aspx
Woodworking/ Cabinetmaking	Yes	AAS, ITC, BTC	Fall start, variable tool costs	https://www.csi.edu/programs/woodworking/default.aspx

Program Name	Application Deadline	Degree/Certificates Offered	Program Notes	Weblink
Administrative Specialist	Fall- 08/22 Spring- 01/06	AAS		https://cwi.edu/program/administrative-specialist
Advanced Mechatronics Engineering Technology	Fall- 08/22	AAS, BTC	PREREQ: Completion of or placement into ENGL 101 or ENGL 101P; and completion or placement into MATH 123 or higher (Tool cost $600 first year)	https://cwi.edu/program/advanced-mechatronics-engineering-technology
Automotive Technology	Fall- 08/22	AAS, ATC, BTC	PREREQ: Completion of (or placement into) ENGL 101 and MATH 118, program orientation (Tool cost $7245 first year)	https://cwi.edu/program/automotive-technology
Bookkeeping and Accounting	Fall- 08/22 Spring- 01/06	AAS, ATC, BTC	PRE/COREQ: ENGL 101; Placement into FINA 109	https://cwi.edu/program/bookkeeping-and-accounting
Cisco Networking and Security Technologies	Fall- 08/22	AAS, ATC, BTC	PRE/COREQ: Placement into MATH 123 or concurrent enrollment in any GEM 3 course	https://cwi.edu/program/cisco-networking-and-security-technologies
Collision Repair Technology	Fall- 08/22	AAS, ATC, BTC	PREREQ: Completion of (or placement into) ENGL 101 and MATH 118, program orientation (Tool cost $6340 first year)	https://cwi.edu/program/collision-repair-technology
Computer Support Specialist	Fall- 08/22	AAS		https://cwi.edu/program/computer-support-specialist
Cyber Security	Fall- 08/22	AAS, ATC	PRE/COREQ: Placement into MATH 123 or concurrent enrollment in any GEM 3 course	https://cwi.edu/program/cybersecurity
Dental Assisting	Fall- 08/22	AAS, ITC	PREREQ: Placement into ENGL 101P or higher	https://cwi.edu/program/dental-assisting
Drafting Technology	Fall- 08/22	AAS, ATC, ITC	PREREQ: Completion of or placement into MATH 123 and completion of or placement into ENGL 101P (Tool cost $645, Books $1200)	https://cwi.edu/program/drafting-technology
Early Childhood Education	Fall- 08/22 Spring- 01/06	AAS, BTC	PREREQ: Completion of or placement into ENGL 101	https://cwi.edu/program/early-childhood-education
Fire Service Management	Fall- 08/22	BTC	PREREQ: Admission to the Fire Service Technology or Fire Service Management program	https://cwi.edu/program/fire-service-management
Fire Service Technology	Fall- 08/22	ITC, BTC	PREREQ: Admission to the Fire Service Technology or Fire Service Management program	https://cwi.edu/program/fire-service-technology
Heavy-Duty Truck Technician	Fall- 08/22	AAS, ATC	PREREQ: Program orientation and successful completion of any two general education courses (Tool cost $6330 first year)	https://cwi.edu/program/heavy-duty-truck-technician
Heavy Equipment Technician	Fall- 08/22	AAS, ATC, ITC	PREREQ: Program orientation and successful completion of any one (1) general education course (Tool cost $6565 first year)	https://cwi.edu/program/heavy-equipment-technician

Program	Deadline	Credential	Notes	Link
Horticulture Technology	Fall- 08/22 Summer- 05/25	AAS, ATC, ITC		https://cwi.edu/program/horticulture-technology
Law Enforcement	Fall- 08/22	AAS, ITC	PREREQ: Admission into the Law Enforcement program	https://cwi.edu/program/law-enforcement
Machine Tool Technology	Fall- 08/22	AAS, ITC, BTC	(Tool cost $2285 first year)	https://cwi.edu/program/machine-tool-technology
Marketing Communications	Fall- 08/22	AAS, ATC, ITC, BTC	PRE/COREQ: ENGL 101	https://cwi.edu/program/marketing-communications
Medical Administrative Support	Fall- 08/22 Spring- 01/06	BTC		https://cwi.edu/program/medical-administrative-support
Medical Assistant - Credit	Fall- 08/22 Spring- 01/06	ITC, BTC	PREREQ: Medical Assistant or Medical Administrative Support major	https://cwi.edu/program/medical-assistant-credit
Network and System Administration	Fall- 08/22	AAS, ATC, ITC, SC	PREREQ: Network and System Administration major. Placement into MATH 123 or concurrent enrollment in any GEM 3 course (Course fees $300, Books $300)	https://cwi.edu/program/network-and-system-administration
Nursing, Practical	Spring- 01/06	ITC	PREREQ: Admission to the Practical Nursing program	https://cwi.edu/program/practical-nursing
Occupational Therapy Assistant	August 12, 2023	AAS	PREREQ: Admission to the Occupational Therapy Assistant program	https://cwi.edu/program/occupational-therapy-assistant
Physical Therapist Assistant	May 18, 2023 for Fall	AAS	Only those students who have been accepted into the Physical Therapist Assistant program are eligible to register	https://cwi.edu/program/physical-therapist-assistant
Powersports and Small Engine Repair Technology	Fall- 08/22	AAS, ITC, BTC	PREREQ: Completion of (or placement into) ENGL 101 and MATH 118, program orientation (Tool cost $5880 first year)	https://cwi.edu/program/powersports-and-small-engine-repair-technology
Software Development	Fall- 08/22 Spring- 01/06	AAS, ATC, ITC, BTC	(Course fees $300 Books $650)	https://cwi.edu/program/software-development
Surgical Technology	March 31st	AAS	Only those students who have been accepted into the Surgical Technology program are eligible to register	https://cwi.edu/program/surgical-technology
Unmanned Aerial Systems	Fall- 08/22	BTC	(Course fees $150, Exam fee $160 Books $250)	https://cwi.edu/program/unmanned-aerial-systems
Welding and Metals Fabrication	Fall- 08/22 Spring- 01/01 Summer- 05/25	AAS, ITC, BTC	(Tool cost $1025 first year plus lab and special course fees of $2225)	https://cwi.edu/program/welding-and-metals-fabrication

Liz A. Weldy, M.S. HRD
Transition Coordinator
Career & Technical Education
eaweldy@lcsc.edu
(208) 792-2167

Program Name	Application Deadline	Degree/Certificates Offered	Program Notes	Weblink
Administrative Medical Assisting	Fall-8/25 Spring-1/16	Admin Med Assistant ATC, Medical Biller/Coder ITC, Med Receptionist ITC, Med Transcription ITC		https://www.lcsc.edu/program-finder/administrative-medical-assistant
Early Childhood Development	Fall-8/25 Spring-1/16	AAS, ATC, ITC, BTC	Entry into the AAS degree option requires students to work with children at approved internship settings. Students enrolling in this program must complete an application packet including ECD Program, Criminal Background Check and Fingerprinting, Current Certification in Pediatric CPR/First Aid, TB Clearance, and Proof of a Physical Exam.	https://www.lcsc.edu/program-finder/early-childhood-development
Graphic Communications	Fall-8/25 Spring-1/16	AAS, BAS	Students are required to own a laptop computer and purchase specified software. Students entering the Graphics Communciations Program must own or have access to a camera (digital SLR or phone) capable of shooting in RAW format. Students must earn at least a C grade or better in all program courses to continue in the Graphics Communications program.	https://www.lcsc.edu/program-finder/graphic-communications
Hospitality Management	Fall-8/25 Spring-1/16	Hospitality Management AAS, Culinary Arts AAS, Hotel/Resort Management AAS, Hospitality Management ATC, Food & Beverage ITC, Front Office Management ITC	Pathways: Hospitality Management, Culinary Arts, and Hotel/Resort Management. Participation in internships is required by all students.	https://www.lcsc.edu/program-finder/hospitality-management
Legal Practice Assistant	Fall-8/25 Spring-1/16	Legal Practice Assistant ATC, Legal Office Technology ITC, Pre Law Minor	Internship experience in a law-related office is an integral part of the Legal Practice Assistant curriculum.	https://www.lcsc.edu/program-finder/legal-practice-assistant
Medical Assistant	Fall-8/25 Spring-1/16	AAS, ITC	All students in the program will be eligible to sit for the CMA (AAMA) exam at the end of the second semester of professional program Medical Assistant courses. Students must participate in 180-hour Clinical Experience course. It is policy that the Clinical Experience hours required for the Medical Assistant AAS degree are non-paid.	https://www.lcsc.edu/program-finder/medical-assistant
Packaging Design	Fall-8/25 Spring-1/16	AAS, ITC	Program prepares students for entry-level employment in the multi-billion dollar packaging and display industry.	https://www.lcsc.edu/program-finder/packaging-design
Paralegal	Fall-8/25 Spring-1/16	AAS, ITC, Pre Law Minor	Prior to the issuance of this certificate, students must complete courses as well as one of these critera: Have paralegal certificateion or designation issued by a nationally recognized paralegal organization or have five years of recent continuous employment experience in a law-related office.	https://www.lcsc.edu/program-finder/paralegal

Program	Start Dates	Degrees	Requirements	Link
Bookkeeping/Applied Accounting	Fall-8/25 Spring-1/16	AAS, ATC		https://www.lcsc.edu/program-finder/book-keeping
Business	Fall-8/25 Spring-1/16	Any AAS turns into a BAS	Students who have completed an AAS in a technical or business related field. Students will be required to complete some additional general education courses, core business classes, and upper division electives for this 120 credit program. Completion of this degree will prepare students to manage or open their own business.	https://www.lcsc.edu/program-finder/business-bas
Web Design & Development	Fall-8/25 Spring-1/16	AAS		https://www.lcsc.edu/program-finder/web-design-development
Auto Mechnics Technology	Fall-8/25 Spring-1/16	AAS, ATC, ITC	Enrollment priority is a on a first-come first-serve basis as determined by the student's faculty advising date. Aleks score in Math of 14 or higher, Writing Placement Exam of 2 or higher, or qualify for MTHPT-103 and ENGL 101. The prospective students must have a valid Driver's License and have had no DUI's in the past 12 months. Physical well-being, good manual dexterity, and the strength to lift heavy objects are necessary.	https://www.lcsc.edu/program-finder/auto-mechanics-technology'
CNC Machining Technology	Fall-8/25	AAS, ATC, ITC	To prepare for entry into the program courses in metal or wood shop, mechanical drawing, English, mathematics, physics, and computers are strongly recommended. Activity in clubs or organizations which emphasize leaderhsip skills is also recommmended. There is an opportunity for students to work in industry for a specified time and receive college credit, or to convert work and life experience into college credit for this program.Entrance requirements for degree seeking students in the CNC Mchining Technology include: ALEKS score in Math of 30 or higher, Writing Placement Exam of 2 or higher, or qualify for MTHPT-137 and ENGL 101. Enrollment priority will be given to students on the basis of student's advising date.	https://www.lcsc.edu/program-finder/cnc-machining-technology
Collision Repair Technology	Fall-8/25	AAS, ATC, ITC	Entrance requirements for students seeking enrollment include: ALEKS score of 14 or higher in Math and Writing Placement Exam score of 2 or higher or qualify for MTHPT-137 and ENGL-101, enrollment priority will be given to students on the basis of student's enrollment date, enrollment priority will be given first to AAS degree seeking students on a first-come first-serve basis as determind by their faculty advising date, students must hold a valid driver's license to enroll, Collision Repair has physical requirements that may affect the student's ability to function in this program, physical recommendations are listed in the US Bureau of Labor Statistics for Collision Repair Technology.	https://www.lcsc.edu/program-finder/collision-repair-technology

Program	Start	Degrees	Notes	Link
Diesel Technology	Fall-8/25 every other Spring	AAS, ATC, ITC	All students will be subject to a Driver's License Validation check and must hold a valid driver's license while enrolled in the mechanics programs. This program has physical requirements that may affect the student's ability to perform in this program. Entrance requirements for AAS degree students into the program include: A valid driver's license with no DUI conviction within the past year, ALEKS score of 14 or higher in Math and Writing Placement Exam of 2 or higher or qualify for MTHPT-103 and ENGL 101, physical recommendations are as listed in the US Bureau of Labor Statistics for Diesel Technology.	https://www.lcsc.edu/program-finder/diesel-technology
Engineering Technology	Fall-8/25	Civil AAS, GIS AAS, Mechanical AAS.	For students choosing to specialize thier studies, one of three optional endorsements may be selected. In the second year of the program, students electing not to take the General (Traditional)Program may direct their study emphasis towards Geographic Information Systems, Civil or Mechanical disciplines, which will result in an AAS degree in Engineering Technology with emphasis in the selected discipline. Entrance requirements: ALEKS score of 30 or higher in Math (Algebra), Writing Placement Exam score of 2 or higher, or qualify for MTHPT-137 and ENGL 101, enrollment priority will be given to students on the basis of student's enrollment date.	https://www.lcsc.edu/program-finder/engineering-technology
Fire Service Technology	Fall-8/25	AAS, ITC	Participants must be members of a paid or volunteer fire department. Technical skills training and certifications are offered through fire departments. Once the required trainings and certifications are acquired, fire service technology credits can be transcripted. Students then complete the General Education core classes and apply for an AAS degree in Fire Service Technology.	https://www.lcsc.edu/program-finder/fire-service-technology
HVAC-Heating, Ventilation, Air Conditioning, and Refrigeration Technology	Fall-8/25 Spring-1/16	AAS, ATC	Employment in the field requires good physical health due to the size and weight of some unitys. Entrance requirements: The prospective students must have a current valid driver's license while enrolled in the program and have no DUI's in the past 12 months, enrollment priority is on a first-come, first-served basis as determind by the student's faculty advising date, ALEKS score in Math of 14 or higher, Writing Placement Exam of 2 or higher, or qualify for MTHPT-103 and ENGL-101.	https://www.lcsc.edu/program-finder/heating-ventilation-air-conditioning-and-refrigeration-technology
Industrial Electronics	Fall-8/25 Spring-1/16	AAS, ATC, ITC	Second-year AAS students can choose either the Industrial Electronics (IE) track the Instrument Mechanics (IM) or the Electronic Engineering Technology (EET) track.	https://www.lcsc.edu/program-finder/industrial-electronics-technology
Industrial Maintenance/ Millwright Technology	ON HOLD	AAS, ATC	This is a multi-skilled trade that uses areas of fabrication, electronics, electrical systems, automation, computers, hydraulics, PLC's, and mechanical systems. Entrance requirements: ALEKS score in Math 30 or higher, Writing Placement Exam of 2 or higher, or qualify for MTHPT-137 and ENGL-101, enrollment priority is on a first-come, first-served basis as determined by the student's faculty advising date.	https://www.lcsc.edu/program-finder/industrial-maintenancemillwright-technology

Program	Start/Deadline	Degrees	Description	Link
Information Technology	Fall-8/25 Spring-1/16	AAS, ATC, ITC, BTC	The program has physical requirements that may affect the student's ability to perform in this field. Entrance requirements: enrollment priority is on a first-come, first-served basis as determined by the student's faculty advising date, ALEKS score in Math of 30 or higher, Writing Placement Exam of 2 or higher, or qualify for MTHPT-137 and ENGL-101.	https://www.lcsc.edu/program-finder/information-technology
Welding Technology	Fall-8/25 Spring-1/16 limited	AAS, ATC, ITC	Welding application required. Program is participating organization of the American Welding Society's SENSE (Schools Excelling through National Skill standards Education) Program. All skills and lab assignments are performance-based using standards assigned by the prevailing industrial welding codes. Included in each 30 hour week is study in welding theory and related practical science, and applying knowledge in the laboratory. All graduates are given the opportunity to take the unlimited thickness, all position, welder certification test at no cost to them. Entrance requirements for AAS: ALEKS score of 30 or higher in Math and Writing Placement Exam score of 2 or higher or qualify for MTHPT-137 and ENGL-101, waiting list placement will be determind by the date and time in which the student advised by Welding Technology faculty.	https://www.lcsc.edu/program-finder/welding-technology

Workforce Training Apprenticeships

Program	Start/Deadline	Degrees	Description	Link
Electrical Apprenticeship	New courses start each Fall and run a full academic year (September to May)	AAS	$1,445 annual fee + textbooks, course supplies, and testing fees. Offered in a Hybrid or Online format. Entrance requirements: must be at least 16 years of age, work under the constant supervision of a licensed Journeyman or Master Electrician.	https://www.lcsc.edu/workforce-training/home/explore-training/apprenticeship-training
HVAC Apprenticeship	New courses start each Fall and run a full academic year (September to May). Program is a 4-year program.	AAS	$1,445 annual fee + textbooks, course supplies, and testing fees.Offered in a Hybrid format. Program is a 4-year program. Entrance requirements: must be at least 16 years of age, work under the constant supervision of a licensed HVAC Journeyman.	https://www.lcsc.edu/workforce-training/home/explore-training/apprenticeship-training
Plumbing Apprenticeship	New courses start each Fall and run a full academic year (September to May).	AAS	$1,445 annual fee + textbooks, course supplies, and testing fees. Offered in a Hybrid format. Entrance requirements: must be at least 16 years of age, work under the constant supervision of a licensed Plumbing Journeyman.	https://www.lcsc.edu/workforce-training/home/explore-training/apprenticeship-training
Industrial Mechanic/ Millwright	Contact office for individualized registration.		This is a 30-month program.	https://www.lcsc.edu/workforce-training/home/explore-training/apprenticeship-training
Protective Signal Installer	Contact office for indvidualized registration.			https://www.lcsc.edu/workforce-training/home/explore-training/apprenticeship-training

Program Name	Application Deadline	Degree/ Certificates Offered	Program Notes	Weblink
Accounting Assistant	N/A	ITC, ATC, AAS	Open entry	https://www.nic.edu/programs/view-program.aspx?program_id=1
Administrative Office Management Technology; Administrative Office Technology; Computer Applications; Office Specialist; Office Technology; Virtual Administration Assistant	N/A	BTC, ITC, AAS	Open entry	www.nic.edu/caot
Autobody & Paint Technology	Fall application deadline	ITC	Fall start only. Limited enrollment program. Additional tools required.	https://www.nic.edu/programs/view-program.aspx?program_id=16
Automotive Technology	Fall application deadline	ITC, ATC, AAS	Fall start only. Limited enrollment program. Additional tools required.	https://www.nic.edu/programs/view-program.aspx?program_id=7
Business Management	N/A	BTC, AAS	Open entry Choose from four BTC paths - Entrepreneurship, General Business Core, Human Resource Management, and Supervision; and/or Academic Certificate in Entrepreneurship; and/or Business Management AAS.	https://www.nic.edu/programs/view-program.aspx?program_id=106
Computer Information Technology/ Cybersecurity Information Administration	N/A	ITC, ATC, AAS	Fall start only; Limited enrollment program. Full-time program. Tool list provided on website, additional fees required.	https://www.nic.edu/programs/view-Program.aspx?program_id=20
Culinary Arts	N/A	ITC, ATC, AAS	Fall start; Limited enrollment program. Full-time program; four consecutive terms; summer term required. Tool list provided on website, additional fees required	https://www.nic.edu/programs/view-Program.aspx?program_id=23
Dental Hygiene	Early summer preceding January start	AAS	Competitive entry program based on prerequisite completion and additional application process. Additional fees required	https://www.nic.edu/programs/view-Program.aspx?program_id=101
Diesel Technology	Fall application deadline	ITC, ATC, AAS	Limited entry program. Fall start only, summer semester required. Additional tools required.	https://www.nic.edu/programs/view-Program.aspx?program_id=24
Fire Service Technology	N/A	AAS	Fire Fighter 1 offered through Workforce Training Center; Accumuluation of Industry training certifications plus 15 credits to AAS	https://www.nic.edu/programs/view-program.aspx?program_id=30
Graphic & Web Design	N/A	ITC, ATC, AAS	Fall start only. Limited enrollment program.	https://www.nic.edu/programs/view-Program.aspx?program_id=34
Health Information Fundamentals; Healthcare Document Management; Medical Administrative Assistant; Medical Billing Specialist; Medical Receptionist	N/A	BTC, ITC, AAS	Open entry	www.nic.edu/caot

Program	Application Deadline	Degree/Certificate	Notes	Link
Heating, Ventilation, Air Conditioning, and Refrigeration	Fall application deadline	ITC	Limited entry program. Fall start only. Additional tools required.	https://www.nic.edu/programs/view-Program.aspx?program_id=35
Hospitality Management	N/A	ITC, ATC, AAS	Open entry	https://www.nic.edu/programs/view-Program.aspx?program_id=99
Industrial Mechanic/Millwright	Fall application deadline	ITC	Limited entry program. Fall start only, summer semester required. Full-time program. Additional tools required.	https://www.nic.edu/programs/view-Program.aspx?program_id=44
Law Enforcement/Basic Detention Academy	N/A	BTC, ITC, AAS	Fall or spring start. Selective enrollment program. Age requirements. Additional application packet, background check, polygraph, psychological evaluation, medical/vision/hearing tests are required. Additional fees required	https://www.nic.edu/programs/view-Program.aspx?program_id=41
Machining & CNC Technology	Fall application deadline	ITC, ATC, AAS	Limited entry program. Full-time program. Fall start. Additional tools required.	https://www.nic.edu/programs/view-Program.aspx?program_id=43
Mechanical Design Engineering Technology	Fall application deadline	ITC, ATC, AAS	Fall start only. Limited enrollment program. Additional tools required.	https://www.nic.edu/programs/view-Program.aspx?program_id=104
Mechatronics	Fall application deadline	ITC, ATC, AAS	Limited entry program. Fall start only. Full-time program. Additional tools required.	https://www.nic.edu/programs/view-program.aspx?program_id=107
Medical Assistant	N/A	ITC, AAS	Open entry program based on prerequisite completion. Additional fees required	https://www.nic.edu/programs/view-Program.aspx?program_id=47
Medical Laboratory Technology	Late summer preceding January start	AAS	Competitive entry program based on prerequisite completion and additional application process. Additional fees required	https://www.nic.edu/programs/view-program.aspx?program_id=102
Outdoor Recreation Leadership	N/A	ITC, ATC, AAS	Limited enrollment program.	https://www.nic.edu/programs/view-Program.aspx?program_id=58
Paralegal	N/A	AAS	Open entry program. Fall or spring start	https://www.nic.edu/programs/view-Program.aspx?program_id=60
Physical Therapist Assistant	Early spring for August start	AAS	Competitive entry program based on prerequisite completion and additional application process. Additional fees required	https://www.nic.edu/programs/view-Program.aspx?program_id=66
Practical Nursing (P.N.)	Late fall for preceding August start	ITC	Additional application required. CNA completed prior to application deadline. Additional fees required.	https://www.nic.edu/programs/view-program.aspx?program_id=54
Radiography Technology	Early spring for August start	AAS	Competitive entry program based on prerequisite completion and additional application process. Additional fees required	https://www.nic.edu/programs/view-Program.aspx?program_id=75
Surgical Technology	Early spring for August start; potential late summer for January start	AAS	Competitive entry program based on prerequisite completion and additional application process. Additional fees required	https://www.nic.edu/programs/view-program.aspx?program_id=108
Wastewater Treatment Plant Technology	Fall application deadline	AAS	Limited entry program. Fall start only. Additional tool costs.	https://www.nic.edu/programs/view-Program.aspx?program_id=112
Welding	Fall application deadline	ITC, ATC, AAS	Limited entry program. Fall start only. Additional tool costs.	https://www.nic.edu/programs/view-Program.aspx?program_id=82
