

Required Career Pathway Plan List, By School District

To qualify for an Idaho LAUNCH grant, students must:

- Graduate from an Idaho high school or equivalent in Spring 2025
- Be an Idaho resident
- Be enrolled in or have applied to an in-demand career program at an eligible Idaho institution
- Begin enrollment by fall semester after graduation
- Complete a career pathway plan or equivalent before May 31 (as outlined in the table below)

This list provides each Idaho school district's approved selection for the Career Pathway Plan that meets its requirements. Students who wish to satisfy district requirements for graduation and Idaho LAUNCH applications will need to complete a career pathway plan utilizing the tool identified in this document.

Private school and home school students should complete a career pathway plan using the Next Steps Idaho website. Once a login is created, the approved activities can be found on the student portfolio page.
