

FAFSA Completion Challenge Guidelines and Rules

Public and private high schools in Idaho are invited to join the Idaho FAFSA Completion Challenge to promote FAFSA completion for the class of 2025. Participating high schools will compete among other schools with similar senior class sizes.

The Challenge will begin on January 15, 2025 and go through April 15, 2025.

Winners will be announced in May 2025.

Please note: final groups may be adjusted slightly after registration closes to ensure there are approximately the same number of participating schools in each group.

Challenge Rules

FAFSA completion results will use high school FAFSA completion data from Federal Student Aid with the closest reporting period to April 15, 2025.

1. The challenge registration survey must be completed to be eligible to win
2. Challenge schools must set a FAFSA completion goal for the class of 2025
3. Challenge schools must agree to monitor school progress through Counselor Suite Idaho
4. One winner will be chosen from each school group:
 - *The winner will be determined by highest percentage of FAFSA completions during the Challenge period*
5. The winners will be announced May 2025 and **each winner will receive \$500** to enhance their school's college-going culture and FAFSA completion efforts
