

IDAHO Campus Choice

How It Works

Idaho Campus Choice streamlines college admissions by letting you know which Idaho schools you're pre-admitted to before you even apply. This is for all graduating Idaho high school seniors.

1. **Start Early** – In 8th grade, you can learn about the program to explore in high school what it takes to be pre-admitted.
2. **Explore Your Options** – Use the College Discovery Center on Next Steps to find schools that match your goals.
3. **Meet the Requirements** – Your junior-year unweighted GPA and ISAT scores determine your admission status.
4. **Get Your Admission Letter** – In the fall of your senior year, you'll receive a letter showing your direct admission status.
5. **Stay on Track** – Keep up your hard work in high school to graduate.

Idaho Campus Choice Details

Good grades and a good score on the ISAT give students strong opportunities for their future.

- Students who achieve an ISAT Math and ELA/Literacy level ≥ 3 or an unweighted GPA of 3.0 get into all 8 colleges.
- Students with an unweighted GPA between 2.25 and 2.99 get into 6 colleges.
- Students with an unweighted GPA under 2.25 get into 4 colleges.

Take Charge of Your Future!

- **Boost Your Opportunities** – Higher ISAT scores can expand your college options through Idaho Campus Choice.
- **Keep Your Options Open** – No matter your Idaho Campus Choice status, you can still apply to any Idaho college or university.
