

# Create a Resume and Cover Letter

---

*Suggested timeframe of completion: Beginning of School Year- October 1*

Having a resume that lists your skills and experience is crucial to being successful in the future. Though you may feel like you don't have much to put on a resume *yet*, going through the process of creating one will put you in the mindset of thinking about how to stand out from the crowd.

Visit the Next Steps Idaho resume guide to help you launch your career. Once you're done, review the "Creating Your Cover Letter" section.
