

Looking at Schools

Pick your top three and reflect on the following:

School: _____

What state is the school located in? _____ What is the cost of attendance? _____

What kinds of financial aid options are available at this school?

What student life activities does this school offer that interest you?

What type of campus services does this school offer its students?

School: _____

What state is the school located in? _____ What is the cost of attendance? _____

What kinds of financial aid options are available at this school?

What student life activities does this school offer that interest you?

What type of campus services does this school offer its students?

School: _____

What state is the school located in? _____ What is the cost of attendance? _____

What kinds of financial aid options are available at this school?

What student life activities does this school offer that interest you?

What type of campus services does this school offer its students?

If you had to pick one school from the list above, it would be:

What interests you most about this school?

What financial aid might you need to apply for to help you attend?
