

# Why College?

College can be a valuable experience and asset to your future. Here are a few reasons why you should consider a college degree.

## 1 Earn More Money

Those who graduate from college earn more money than those with only a high school diploma. On average, someone with a college degree can earn \$1,100 a week as opposed to just \$638 with a high school diploma. Whatever your dreams are, a college degree can help you get there.

## 2 Better Health

Studies continue to show that college graduates tend to have a healthier life, both physically and mentally.

## 3 More Opportunity

Graduating from college increases your choices for future careers and provides you with specialized skills and training that are essential in today's workforce.

## 4 Build Connections

College is a great place to meet new people, make friends, and network. The friends you make in college are often friends you will have for life. You also have the opportunity to network through classmates and professors.

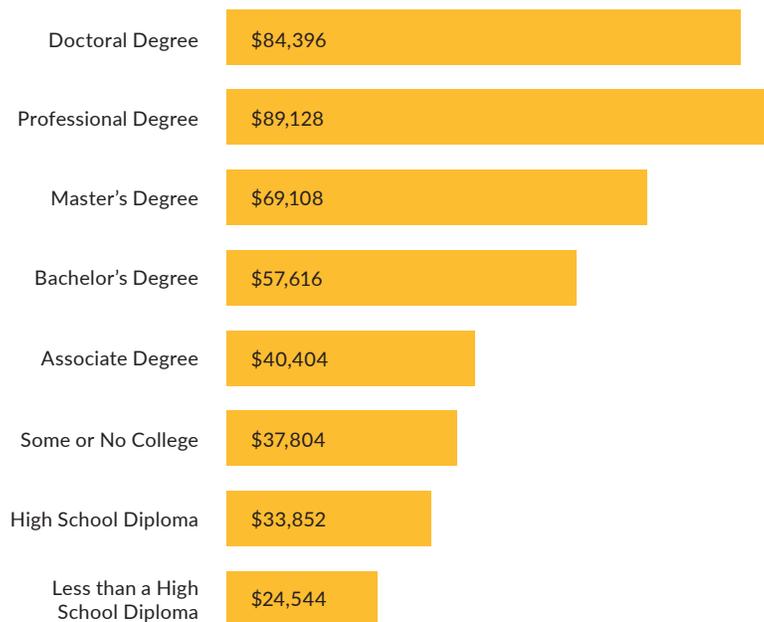

## 5 Better Future for Your Family

71% of students with at least one parent with a bachelor's degree will apply to college themselves, as opposed to 26% of those who do not. Start a tradition that will be passed to your children by setting the example and earning a bachelor's degree.

## Average Salary Based on Educational Attainment

# Paying for College

**NEXT  
STEPS**  
IDAHO

**You may be eligible for free financial aid—up to \$5,815 of federal aid and up to \$7,000 of state scholarships for college per year.**

Scholarships are funds that you do NOT have to repay. To help pay for school, we encourage you to fill out the Free Application for Federal Student Aid (FAFSA), the Idaho Opportunity Scholarship application and the Postsecondary Credit Scholarship. These can be accessed through [NextSteps.Idaho.gov](https://NextSteps.Idaho.gov).

You may be eligible for more than you think! [NextSteps.Idaho.gov](https://NextSteps.Idaho.gov) has several other scholarship and financial aid resources at your fingertips. Also, please discuss with college admissions representatives additional scholarships available at their institutions. Start researching financial aid options now, as there are deadlines for applying.
