

Date

[Student Name]
Address
City, Idaho, Zip

Dear _____,

Congratulations! Based on your high school grade point average and college entrance exam score, you have been accepted to all of Idaho’s public universities and colleges:

Universities

University of Idaho
Idaho State University
Boise State University

Community Colleges

North Idaho College
College of Western Idaho
College of Southern Idaho

Four-Year College

Lewis-Clark State College

Technical College

Eastern Idaho Technical College

Now that you have been accepted, please visit NextSteps.Idaho.gov, where you can learn more about the schools and the degree programs they offer, as well as find contact information for the institutions listed above and other helpful information. Even though you have already been accepted, you will need to submit an admissions application along with your official high school transcript to the college or university of your choice in order to enroll for classes next fall. You will also need to successfully complete high school this school year.

Choose the best program and school for you and then find the school’s online application at NextSteps.Idaho.gov. If the college or university to which you are applying charges an application fee, the fee you pay will be credited to your tuition bill when you arrive on campus in the fall. Your application *must be completed by February 15th* in order to take advantage of this opportunity. If you miss the February 15th deadline, you may still submit an application, but your admission will no longer be guaranteed.

On behalf of the State of Idaho and the Idaho State Board of Education, we welcome you to college and look forward to having you on one of our campuses next fall.

Sincerely,

Governor C.L. “Butch” Otter

Don Soltman, President, Idaho State Board of Education
